

Can you find the exhibits that feature in Planet Stan?

Name .....

### The Stuffed Badger

When did badgers evolve?

.....

What name would you give him?

.....

### Glow-in-the-Dark Minerals

Which mineral is your favourite, and what colour does it glow?

.....

.....

### Iron Meteorite

How old is the meteorite?

.....

When did it fall to Earth?

.....

### Wasps' Nest

What is it made of?

.....

.....

### Tyrannosaurus Rex

Draw some of his teeth:

How heavy is he?

.....

What is he called?

.....

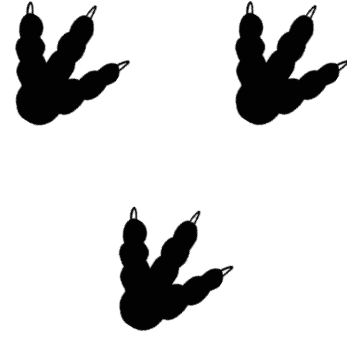

# PLANET STAN

## Dinosaur Footprints

Do your best dinosaur impression as you stomp along the footprints (you could even tweet a picture to @elainewickson)

## Sparkling Pyrite

How old is it?

.....

What shapes can you see?

.....

## Whale Skeleton

How many whale skeletons can you spot hanging from the ceiling?

.....

## Glistening Quartz

Use two words to describe it:

.....

.....

## Butterfly Cabinet

Draw your favourite insect:

What is your favourite exhibit in the museum and why?

.....
